Corporate update

New product

As previously announced, Online Blockchain plc (LSE: OBC), a UK blockchain company, has been developing new blockchain-based products and in April 2019 announced the launch of "invite-only" beta testing for FreeLoadr, a PC gaming product. The Company has launched today the beta testing of an additional product, FreeFaucet ([www.freefaucet.io](http://www.freefaucet.io)), which enables users to obtain established and emerging cryptocurrencies for free. Users' cryptocurrencies can then be stored on the FreeFaucet multi-coin wallet.

Shareholders should note that the development of FreeFaucet is in early beta testing stage of development and launch, and further updates will be provided in due course. For further details go to: [www.freefaucet.io](http://www.freefaucet.io).

A copy of this announcement is available on the Company's website at: [www.onlineblockchain.io](http://www.onlineblockchain.io).

The information contained within this announcement is deemed to constitute inside information as stipulated under the Market Abuse Regulations (EU) No. 596/2014. The person who arranged for the release of this announcement on behalf of the Company was Clement Chambers, Director.
