Corporate Update

The Board of Online Blockchain plc (LSE:OBC) announces that it has been appointed as an advisor to Trism, an early-stage collectables creator and original digital art distributor. Trism's native tokens 'TRISM' can be used to trade NFTs (Non Fungible Tokens) from its Trism collectables series or to purchase original digital art, all of which is available on digital collectables platforms OpenSea and Rarible . Further information on Trism is available at [www.trism.io](http://www.trism.io)

Shareholders should note that the advisory appointment with Trism is an early-stage cooperation arrangement and there are no agreements as to financial terms or scope of work and therefore there is no guarantee that the arrangement will result in any quantifiable benefit to the company.
